Decision § _____	Date and signature		

<p>Transport Criteria</p>	<p>Transport to free-of-charge preschool is based on:</p> <p>Basic Education Act § 32 (19 Dec 2003/1139): "If the distance to school for a pupil in basic education or in additional voluntary education exceeds five kilometres, the pupil shall be entitled to free transportation. If the distance for a pupil in pre-primary education from home to school or from daycare referred to in the Day Care Act to the place of pre-primary education exceeds five kilometres, the pupil shall correspondingly be entitled to free transportation from home directly to pre-primary education or from daycare to pre-primary education and from pre-primary education home or to daycare.</p> <p>Additionally, a pupil in basic education, in additional voluntary education or in pre-primary education shall be entitled to free transportation when the travel referred to above is too difficult, strenuous or dangerous in view of the pupil's age or other circumstances. An alternative to free transportation is an adequate subsidy for transporting or accompanying the pupil to school."</p> <p>Municipal merger board 21 Aug 2012 §62:</p> <p>"The transportation principles for preschool and basic education in Oulu has been approved of as indicative to be carried out in compliance with Appendix A chapter 3." The general principles applied to school transportation arrangements shall be applied to preschool transportation (distance to preschool a minimum of 5 km and the Koululiitu method).</p> <p>Free transportation does not apply to preschoolers who also attend municipal or private daycare.</p>
<p>Applying for transportation</p>	<p>Apply for transportation by submitting the application for preschool transportation to the director of preschool services. The applicant must request a statement from the daycare centre director on the grounds for transportation. The application is submitted to:</p> <p>Sivistys- ja kulttuuripalvelut, varhaiskasvatus, P.O. Box 17, 90015 Oulun kaupunki</p>
<p>Instructions for transportation</p>	<p>Transportation can be either individual or group transportation with either a taxi or a bus. In taxis, safety instructions given by the driver must be complied with. The instructions are based on the decision by the Ministry of Transport on loading and safety arrangements of school and daycare transportation. If transportation is not needed due to illness, holiday or other reason, the parents must cancel transportation. Guardians are obliged to accompany the child to the transport vehicle and meet the child on return.</p>
