LASTU

SAMPOLA DAY CARE CENTRE OPEN EARLY CHILDHOOD EDUCATION SERVICES AT THE UNIVERSITY OF OULU, LINNANMAA CAMPUS

Lastu is the site for Sampola's open early childhood education that is run in collaboration with the City of Oulu and the University of Oulu.

Lastu offers regular services in early childhood education and care, and at the same time facilitates teacher training and scientific research.

EARLY CHILDHOOD EDUCATION

The open early childhood education groups in Lastu are part of Sampola Day Care Centre. They have two teachers and they follow the Early Childhood Education Plan of the City of Oulu.

RESEARCH

Lastu provides an excellent environment for childhood studies.

EDUCATION

Lastu offers opportunities for students at different stages of their studies to observe and practice the teaching and supervision of young children.

LASTU is part of a larger Learning & Interaction Observation Forum (LeaForum) research project.
