

Dear OIS Students and Parents,

It's time to sign up for clubs being offered at O.I.S this term! You can find the list of clubs for the spring term, please have a look and choose the one(s) you are interested in. Some of the clubs need to have a certain amount of students to be able to function, which is why students will be selected in the order they have signed in to the clubs. **To join the clubs, please sign up to the person mentioned next to each club info. You can sign up 17.1. onwards.**

Most of the clubs are free of charge. Students are covered by the school's insurance or by the insurance of the organizer. Please remember to bring along a snack or buy something at the school's Small Bite snack bar during the 13:15 recess. If you have any questions or suggestions, please contact the club coordinator by e-mail, Wilma or come to see her. You can also contact the actual club instructors in order to discuss issues related to a specific club.

Best regards, Riikka Pieniniemi e-mail: [riikka.pieniniemi@eduouka.fi](mailto:riikka.pieniniemi@eduouka.fi)
