Hei!

We know that fulfilling surveys is boring. But this is a survey regarding foreigners in Finland conducted by the University. It is important to participate. It takes only 15-20 minutes.

What is the purpose of this research?

The purpose of this research is to investigate determinants of integration.

What are the benefits of participating in the study?

While you may not directly benefit from participating, your responses may help policy makers to understand better how foreigners feel and act through their integration process, so that they can take appropriate actions.

Secondly, the study will be conducted in two waves of answers. In the end of the survey, please provide us with your email address in order to reach you for the second wave.

Participants answering both waves, will be part of a lottery for coupons for food purchase and cultural events in Oulu, Tampere, Helsinki.

Thank you in advance.
