Principles of a Safer Space in School

1.
We greet and listen to each other, including different opinions.

2.
We speak to each other kindly and fairly.

3.
We respect each other by giving everyone space and the opportunity to be themselves.

4.
We help each other and ensure that no one is left alone.

5.
We address bullying and inappropriate behavior.

We want everyone to feel safe, accepted, and valued.
By following these principles, we create a pleasant and safe environment for everyone.
