INSTRUCTIONS FOR STUDENTS

Before the event

- Take your phone with you so you can scan QR codes.
- Dress according to the weather and wear sneakers – we will be outdoors.
- Check in advance which group you belong to.

Gathering at 9:30 at Victoria Square

- All students gather at Victoria Square.
- Check which group you belong to and go to your group's letter at the square.

Culture Walk begins at 9:45

- Students come up with a bilingual name for their group.
- The idea of the event is that groups visit the statues marked on the map.
- At each statue, there is a teacher who provides a task and a QR code.
- The answer is given to the teacher at the statue in Finnish or Swedish.
- When the question is answered correctly, the group receives a letter.
- The letters will eventually form a word.

Return to Victoria Square by 11:30

- At Krannikota, sausage and juice are offered to everyone.
- A prize will be drawn among all groups that answered correctly.

See you at the square!
