While having coffee
in the morning

At a party

While queueing for free buckets

With parents or
grandparents

Somewhere that's
off-limits to minors

With friends

Secretly during class

In a vehicle

On a pile of pillows

In a doghouse

Somewhere exciting

At a moped
meeting

While picking berries

At a shopping centre

Next to a pic of a celebrity

On a tyre swing

Relaxed in mood lighting

In a bathtub

Holed up, hiding from
the agony of the world

After exercising

While avoiding
responsibilities

After mum's
been fussing

Whenever, wherever

By a body of water

Inside a closet or wardrobe

While sporting
a crazy hairdo

While wearing
dad's shoes

Inside a closet or wardrobe

With your feet up
against the wall

While eating chocolate

Behind someone's back

To friends, while
making comments
about the unusual bits

Out loud to a pet

In a blanket burrito

While stretching
